
Name of Student

Principal Tahara-Martin's Questionnaire Form

(For Private Schools or Out of District School Only)

Please provide the following information so I can complete your High School Recommendation Form. After completing this questionnaire, please attach this to the high school Principal Recommendation Form and give both of them to Mrs. Fong in the main office along with a stamped envelope addressed to the high school.

What is your elective and what is your role in that class? (Ex. Publications – I write articles for the school newspaper. TA – I correct papers and enter grades for the teacher. I work in an office environment and answer phone calls and make copies).

What extracurricular activities are you involved in at Sutter? Off campus activities? (clubs, sports, Boy Scouts, Girl Scouts, church youth group, etc.)

Have you ever received any honors or awards? If so, please list them.

Do you perform community service? If so, where and what do you do? (Ex. – volunteer with senior citizens 2 days a week serving food).

Have you thought about what college or career you're interested in and why? How will attending this high school help you in achieving those goals?

Is there anything else you would like to add that you think a high school would want to know about you? (leadership roles you have taken on, personality characteristics about yourself, etc.)

Thank you,
Cristin Tahara-Martin
Principal
