GENERAL INFORMATION

STUDENT IDENTIFICATION CARDS
Student identification cards will be issued to all students to be used for entrance into student activities and to check out library books. If lost, students should go to the main office for a replacement at a cost of $3.00.

EMERGENCY CARDS
An emergency card is distributed to each student during the first week of school. Students occasionally are severely injured or experience extreme health problems, and it is imperative we have accurate information in order to obtain proper health services. City schools provide only limited health services.

The cards should be filled out completely, giving the school as many names and phone numbers of relatives as possible in the event an emergency. If the information on the card needs to be changed, notify the attendance office (395-5371).

LOCKERS
Hall lockers will be assigned to students prior to the beginning of the school year. Students must use a combination lock and provide the office with their combination code.

Your P.E. teacher will assign your gym locker. Keep these lockers neat and clean and learn your combinations as quickly as possible. Key locks are not to be used and will be cut off at the student’s expense. Do not share your combinations with anyone. Locks or lockers should not be switched without notifying the main office. If you have a problem, report it to the main office or your P.E. teacher.

If you would like to share a locker with a friend, both you and your friend need to talk with Mrs. Grady to start the contract process.

PROGRAM CHANGES
All schedule changes must be discussed with the teacher involved. Schedule changes will occur for programmatic reasons, such as special program placement (i.e. special education, G.A.T.E., or for reasons deemed appropriate by school administrators).

LIBRARY-MEDIA SERVICES
The school library is open most days from 7:30 a.m – 3:30 p.m. A student ID card is required to borrow items from the library and those items must be returned in good condition and by the date due.

Students may check out two books from the library at one time. If a student loses or damages a book, he/she is responsible for replacing the book and library privileges may be revoked.

TEXTBOOKS
1. All books must be covered with strong paper or a book cover immediately.
2. Books are provided, but you will be held strictly accountable for them. Students will check books out from the library at the beginning of school.
3. Books must be returned at the end of the year in good condition. You will be charged for lost, stolen, or damaged books.
4. Students will be directed to write the date issued and their teacher’s name in the stamped area on the inside front cover of the textbook. No other writing should appear on or in the textbook.

STUDENT USE OF TECHNOLOGY
The SCUSD Governing Board recognizes that technology provides ways to access the most current and extensive sources of information. Technology enables students to practice skills and to develop reasoning and problem-solving abilities, as well as supports improved academic achievement.

Use of school computers and access to the Internet is a privilege and will only be used for school-related education and research. Students are expected to follow the directions of school staff and abide by the rules of the school and school district. If students fail to follow the rules, they will be disciplined and may lose their computer privileges.

Students must abide by the following technology rules:
   a) Handle all equipment with care and only with permission.
   b) Any type of food, drink, or gum is not allowed in the library, in classrooms using mobile technology equipment, or near any computers at any time.
   c) Protect your password. Do not allow anyone else to use your password and do not use anyone else’s password.
   d) Do not alter the log-in screen or desktop screen-saver or any other settings on any school devices.
   e) Never vandalize or copy computer data, including copyright protected material (plagiarism) or other students’ assignments.
   f) Students will only visit websites that are appropriate and that pertain to their class work.
   g) Students will be responsible, appropriate, legal and ethical users of technology.

STUDENT SERVICES
Counseling services are available. The school counselors have offices located in room 102 and in the main office. The counselors can be reached at 395-5370 ext. 408025 and ext. 408026. Students who are facing difficulties and conflict in their lives can also speak with teachers, administrators, or other staff members who will then refer the student for services.

SECTION 504 ACCOMMODATIONS/SPECIAL EDUCATION SERVICES
The SCUSD Board recognizes the need to identify and evaluate students with disabilities in order to provide them with a free, appropriate public education. Under Section 504 of the federal Rehabilitation Act of 1973, individuals with a physical or mental impairment that substantially limits one or more major life activities, including learning, are eligible to receive services and aids designed to meet their needs as adequately as the needs of nondisabled students are met. Parents’ Rights are available upon request in the office or you can refer to our website for the Notice of Parents Rights and further information.

HOMEWORK
Homework is an important part of the instructional program that will affect the student’s overall grade. When it is properly implemented, students will develop regular study habits and self-discipline basic to effective study and independent work. You should expect approximately 30 minutes of homework for each academic class daily while attending Sutter. Parents/guardians are encouraged to check with students daily regarding homework completion.
TUTORING
Study hall is available Monday-Thursday before and after school. In addition, individual teachers offer tutoring before school, during lunch, and after school, as outlined in their syllabus.

INFINITE CAMPUS
Parents and students now have access to our on-line grading system. Student grades and assignments are all accessible on a real-time basis via the internet. You may contact the main office for assistance with Infinite Campus.

PARENT CONFERENCE TUESDAYS
Interdisciplinary teaching teams are available for parent conferences on Tuesdays after school. Prior to requesting a conference, parents are encouraged to monitor student grades on Infinite Campus, monitor homework, and communicate with teachers; students are required to attend tutoring and show effective use of student planner. Conference times are reserved for students struggling in more than one area. Please call the school counselor at 395-5370 ext. 408026 to schedule a meeting.

LOST AND FOUND
Lost and found articles may be turned in or claimed in the main office. If you find an article not belonging to you, you must turn it in to the office or face disciplinary action for being in possession of lost or stolen property.

Items not claimed after a reasonable period of time will be sent to the PTA Clothes Closet.

If you find money, turn it in to the main office. Your name will be recorded and if the money is not claimed within two weeks, it will be given to you.

STUDENT ACTIVITIES
Your student ID card is required for admittance to certain school activities. Only Sutter Middle School students are allowed to attend student activity events.

GUIDELINES FOR STUDENT PARTICIPATION IN EXTRACURRICULAR ACTIVITIES
Students receiving any school suspension or excessive behavior infractions may not be allowed to participate in extracurricular activities (including dances, sports, etc.) for a length of time at the discretion of administration.

AWARDS
Awards and recognition serve an important function at Sutter. Opportunities for recognition will occur on a monthly basis to recognize students of the month and at the end of the year awards ceremony. Students at Sutter are appreciated for their academic achievement, school involvement, and positive actions.

8th GRADE END OF THE YEAR ACTIVITIES
Participation in the end of the year activities for 8th graders such as the ceremony, dance, theme park trip, etc. is a privilege earned in recognition and celebration of student achievement; students are expected to achieve minimal standards in attendance, academics, and behavior. These standards are:

- No more than 1 “F” grade in the 4th quarter
- No suspensions in the 4th quarter
• No excessive referrals or other major behavior infractions during their 8th grade school year
• No outstanding bills for lost or damaged textbooks, library books, or materials

Any revisions to this policy will be communicated to students during the year if needed and are up to administrative discretion.

7th GRADE END OF THE YEAR ACTIVITIES
In order for 7th graders to be able to participate in the end of the year activities such as the 7th grade picnic, etc. they may not have any suspensions in the 4th quarter, excessive referrals, or other major behavior infractions (up to administrative discretion).

ATTENDANCE
In order for Sutter students to be successful, it is important to attend school every day unless they are ill. It is the parents’/guardians’ responsibility that students attend school on time every day. School district policy and state law require daily school attendance for students between ages 6 and 18. Students shall be classified as truant if they are absent from school without valid excuse for three full days in one school year or tardy for more than any 30-minute period during the school day without valid excuse on three occasions in one school year, or any combinations thereof. Subsequent reports of truancy will lead to students being classified as a habitual truant. Such students and their parents are subject to a SART meeting to create attendance intervention strategies aimed at improving student attendance. Students who violate attendance contracts created at SART meetings are subject to SARB hearings, which may result in school removal or referral to Truancy Court. For more information on attendance, including explanations of excused vs. unexcused absences, please reference the district’s publication of Annual Parent and Student Rights Notification and Standards of Behavior or call Sutter’s attendance office at 395-5371.

All absences/tardies must be verified as soon as possible by the parent/guardian by calling the attendance office at 395-5371 anytime day or night, e-mailing Tracy-Feickert@scusd.edu or Natasha-Brown@scusd.edu, or bringing in a note including the absence date(s), reason for absence and a parent/guardian signature. When your child returns to school, they should report to the attendance office for a re-admit slip. If you are absent, it is the returning student’s responsibility to obtain and complete the make-up work.

EARLY DISMISSAL
If you need to leave school early, follow these procedures:
1. Have your parent/guardian call or e-mail the attendance office, or bring a note from your parent/guardian and take the note to the attendance office before school begins. You will be issued an “early dismissal” form.
2. Show the early dismissal to your classroom teacher at the beginning of the period in which you are leaving.
3. When you return from your early dismissal, report to the attendance office for a readmit.
4. In the event you feel ill and want to leave, you must report to class in order to obtain a pass to go to the assistant principal’s office. A parent/guardian must be contacted prior to leaving school early and they must come to the main office to sign out their child. Only persons listed on emergency card can authorize student’s release from school.

TARDINESS
Repeated tardiness in the classroom reduces the amount of time for teaching and learning, is disruptive to the school environment, is disrespectful to other students who are ready for the classroom lesson,
and reveals a lack of responsibility on the part of the tardy student. Students with excessive tardies may be restricted from participating in school related activities and be subject to disciplinary action. You will be considered tardy to class if you are not \textbf{in the classroom by the time the bell rings.} If a student arrives late to school (after 8:18 am), they must check in to the attendance office prior to going to class.

\section*{SCHOOL RULES AND REGULATIONS}

\section*{CLOSED CAMPUS}

Once a student arrives on campus, the student is prohibited from leaving campus (including the morning before school starts). \textbf{Students may not leave campus for any reason without an early dismissal.}

\section*{VISITORS TO SCHOOL}
Parents and guardians are always welcome and are encouraged to visit the school. It is important that we have your assistance in observing some guidelines in setting up a classroom visitation. All parents and visitors to Sutter Middle School \textbf{MUST} report directly to the office to sign in and obtain a visitor’s pass. If a parent wishes to speak to a teacher, an appointment should be made ahead of time. All teachers will be notified of your visit prior to sending you to the classroom. We appreciate your support in the educational process of your child and encourage parents to become actively involved as long as their presence does not interfere with the educational process.

\section*{BICYCLES/SKATEBOARDS}

\section*{CONDUCT TO AND FROM SCHOOL}

Misbehavior on the bus may result in bus privileges being revoked and school discipline, including suspension.

\section*{CONDUCT OUTSIDE OF CLASSROOM}
Students must refrain from yelling, screaming, shouting, whistling, any body contact, horseplay, and running in the halls. Students are expected to conduct themselves in an acceptable fashion at all times.

6. Off limit areas for students during lunch include behind portable buildings and any other area not supervised by an adult.
DISCIPLINE PROCEDURES

The important part of the philosophy of education of Sutter Middle School is that all students should be provided with every opportunity to fully experience worthwhile learning. The maintenance of good school discipline is an important part of the educational process and is necessary to reaching our goal of meaningful learning experiences. If behavior concerns arise, a progressive sequence of interventions will be used to make a positive change in behavior. Ongoing minor infractions by the same student or serious infractions merit disciplinary action that begins at a higher level. The administration will determine which action to take by considering a number of factors, and base their decision on what they believe to be in the best interest of students and their ability to provide a safe, conducive learning environment.

Individual classroom discipline policies will be covered by the students’ teachers during the first week of school. The progressive discipline policy may include classroom warning, parent conference, teacher assigned detention, office discipline referral, administrative detention, teacher class suspension, in house suspension, administrative suspension, school site behavior contract, schedule change, modified schedule, restrictions of attendance at assemblies, field trips, dances and other school activities and events, independent study, district behavior hearing, or expulsion.

Detentions are to be served during lunch or after school. Staff may keep a student after school for counseling or discipline. If after school detention is to exceed 15 minutes, the student will have the option of serving that day or the following day.

During periods of out of school suspension, a student is not allowed to attend school, to be on campus, to attend a school activity, or be on or near any other school campus. Students who have been suspended from school may not be allowed to attend any extracurricular school events, such as dances, field trips or athletic events.

Students need to know and be held accountable for the rules and regulations in order to avoid the causes of disciplinary action. For students’ guidance and information, the most common causes for disciplinary action are listed and explained.

Minor Violations

Violations of a minor but annoying nature that disrupt the educational atmosphere of the classroom, such as, but not limited to, violating class rules and/or making disruptive comments may be reason for a behavior referral. These violations will be handled at the classroom level first.

WORKS CITED GUIDELINES

A Works Cited page is an alphabetical listing of all the sources you used for your report. The page is at the end of your report and has the words “Works Cited” (or “Bibliography”) written at the top. The basic format, according to the Modern Language Association (MLA) style guidelines as listed on the Purdue Online Writing Lab website (http://owl.english.purdue.edu), is to list citations by author’s last name in alphabetical order.

Examples:

A book with one author:

Last name, First name. Title of Book. City of Publication: Publisher, Year of Publication. Medium of Publication.

A book with more than one author:

The first author name appears last name, first name format; subsequent author names appear first name, last name.

Articles in periodicals (magazines and newspapers):

Author(s). "Title of Article." Title of Periodical Day Month Year: pages. Medium of publication.

Internet sources:

MLA no longer requires URLs in citations. If your teacher requires them, list them after the date of access using angle brackets (<URL>). Use n.p. if no publisher name is available and n.d. if no publishing date is given.

Author(if available). Name of Site. Version number. Name of institution/organization affiliated with the site (sponsor or publisher), date of resource creation (if available). Medium of publication. Date of access (the date you went to the site).

Personal Source:

Name of person interviewed. Type of interview. Date.

Martin, Cristin. Personal interview. 23 Nov. 2000.
